MBA (top-up) From University of Chichester

The MBA (top-up) consists a compulsory single module 'Consultancy Project Report' worth 60 credits. The module provides the opportunity for you to examine an area of particular interest within an appropriate organizational context. The module is designed to make a major contribution to your professional and intellectual development, through enabling you to demonstrate your capacity for sustained independent thought, learning and critical reflection.

The purpose of this programme is to deliver a practical and realistic solution to a business-related strategic challenge, which in turn is supported by appropriate reference to theoretical and conceptual analysis.

You will evidence this by producing a 'Consultancy Project Report' of 12,000 words.

The Consultancy Project Report is delivered and assessed by our UK based academic team using our virtual learning platform and direct support from your allocated supervisor.

The 'Consultancy Project' module could be completed in one academic term of 15 weeks or may be studied part-time over two terms.

TESTIMONIALS:

The journey that started at C3S School, one year ago was indeed one of the best decisions of my life. Our faculty have inspired us and challenged us throughout this quest to help us reach the epitome of victory and achievement.

-Abdullah Ghamrawi, from Lebanon

There is plenty of good schools in Barcelona in different big cities, which outperform in ranking, reputation, and credibility. During study I had its ups and downs. But overall I feel that studying at C3S was a great learning experience every day. I will forever cherish the memories I made in Barcelona.

- Elsa Milka Atieno, from Kenya

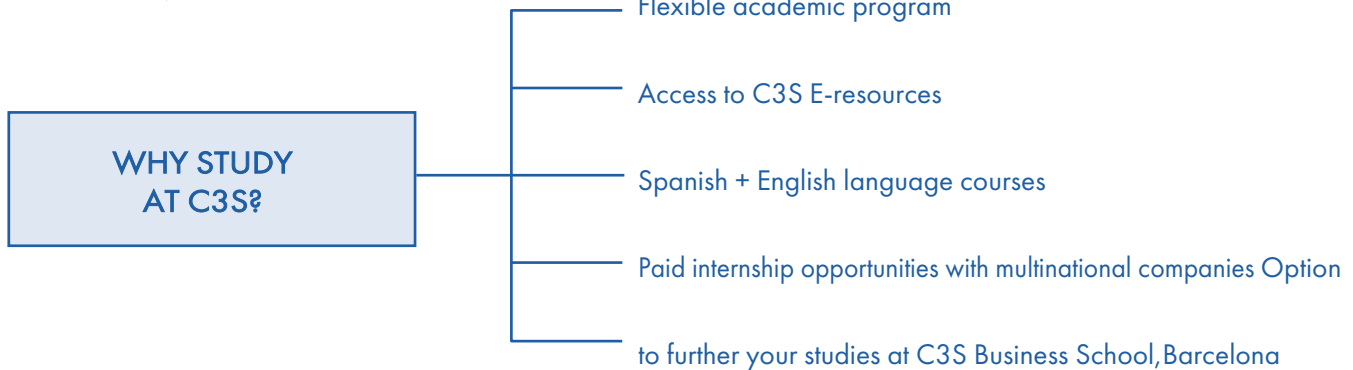

Currently studying with C3S. The facilities over here are really talented, supportive, motivating and friendly. This school has its own way of updating students for their incredible growth.

- Abdullah Karakar, from Syria
