- Opportunity to avail Paid internship
- Job seeker visa after two years of Stay & Study in Spain
- No IELTS required
- Option to choose Third year (of Bachelors) University Progression with many UK universities
- Dual Degree Programs
- Student Study Transfer

We Focus on Your Communication, not Your IELTS Score

If English is not your first language, C3S does not require you to spend a lot of time, energy, and money in proving your English skill based on an exam. If you simply can read, speak, and understand English, you can apply!

Study in Europe Without Burning Your Pockets.

Studying abroad is a dream for many. Yet, few with strong bank balances or long working hours accomplish them. But, why not choose an affordable college with quality of education instead?

C3S is designed to help students get a quality education in an affordable way.

UK Degree For Just 1/3 of the cost in the UK

UK Degree is known for its value and recognition in the education sector. However, the cost of obtaining it remains a dream for many. C3S choose to turn this dream into reality by providing UK level education in Barcelona . Living expenses in Barcelona is almost 1/3rd of that in UK and C3S is offering a UK degree for just 1/3 of the price that you will spend in the UK.

Affordable Accommodation

Studying in Barcelona is quite affordable, and It is not that expensive when you compare with London. If you are planning to study in London, you have to spend a lot. But, in Barcelona, you can take care of the food, travel, and shelter for 400 to 600 Euros. Get the UK level education for 1/3rd of the money. You can have the best time in Barcelona.

Paid Internship During Study

Many students look for hands-on experience before they enter the job market with an educational degree. C3S has partnered with World Wide Internships and connected with many multi-national companies who are looking for talented students to offer them internship experiences.

A student not only gets trained in a real business environment but also earns for his work! There is nothing more lucrative than this aspect.

Relaxed Spain Immigration Policy

After the student arrives in Spain, the student can apply for a job residence after staying for three years;

Those who have worked for five consecutive years can apply for permanent residence (similar to a green card).

If you are one of those people who want to migrate to a better country to improve your life, you should plan to study in the C3S. Besides assisting you with the knowledge you require, tenure of courses in C3S are designed in such a way as to help the process of your residency in Spain.

Experienced Teachers

- Our teachers have expertise in Digital Marketing, Business Development, Finance, Visual Analytics, and Big Data, Tourism and Intercultural Mediation and Communication
- They Have vast practical experience in the field that they are experts and are teaching
- Teaching methodology is earning through research, You'll be expected to think and study independently, debate, etc Personalized attention to help every student succeed

EU as Single Market with Multiple Opportunities

Choosing Spain as a study destination opens the opportunities within the entire European Union.

A student can not only travel but look for work opportunities in all the 28 Schengen countries.

Further, Spanish being the 2nd most spoken language in the world opens your door to many other opportunities beyond Europe !
