

BSc (Hons) Business Computing & Information Systems

PROGRAM KEY FACTS:

Qualification: BSc (Hons) Business Computing & Information Systems

Credits: 360 ECTS

Language: English

Duration: 36 months

Intake: October & February

Tuition Fee: €18,000

First Year: €6,000

Second Year: €6,000

Third Year: €6,000

Application fee: €300 (Non Refundable)

BSc (Hons)

Business Computing &
Information Systems

AWARDING BODIES:

Level 4 (Year1) Diploma in Computing is awarded by NCC Education

Level 5 (Year2) Diploma in Computing is awarded by NCC Education

The BSc (Hons) Business Computing and Information Systems Top-up Degree is delivered online by NCC Education, validated and awarded by the
University of Central Lancashire (UCLan).

OVERVIEW OBJECTIVES:

Level 4 Diploma In Computing:

Level 4 Diploma in Computing (RQF) (L4DC) makes up the first year of the NCC Education degree journey. The qualification is equivalent to the first year of an IT degree in the UK university system.

Students will be given the opportunity to develop essential thinking and study skills, not only within the computing domain, but also within the context of business through a balance of academic and vocational subjects. The qualification will allow them to understand and enter the computing profession with the necessary knowledge expected within the industry and the ability to apply the skills to a range of IT-related functions.

On successful completion of the qualification students will be able to embark on NCC Education's Level 5 Diploma in Computing (L5DC), which is equivalent to the second year of a UK Bachelor's degree, transfer to a university or pursue a career in the IT industry.

Level 5 Diploma In Computing:

Level 5 Diploma in Computing (L5DC) is an Ofqual regulated qualification. The qualification makes up the second year of the UK degree journey and builds upon the knowledge gained during the Level 4 Diploma in Computing (L4DC). Exposing students to greater detail and more advanced topics in a range of areas including database development, information systems analysis, network security and cryptography.

Students will study a balance of academic and vocational subjects in order to provide the necessary knowledge and skills to play a significant role in IT organisations.

On successful completion of the qualification students will be able to complete the final year of a degree with the NCC Education Business Computing and Information Systems Top Up validated by the University of Central Lancashire (UCLan), the University of Greenwich Computing Top Up delivered at our Accredited Partner Centres, at one of the many universities that recognise NCC Education qualifications, or pursue a career in the IT industry.

TEACHING METHODOLOGY:

The main teaching and Learning methods at C3S includes classroom lectures, seminars and tutorials, practical learning, field trips, projects and learning through research.

MODULE OVERVIEW: Level 4 (Year 1)

- Skills for Computing
- Computer Networks
- Computer Systems
- Designing and Developing a Website
- Databases
- Designing and Developing Object-Oriented Computer Programmes
- Software Development Techniques
- Office Solutions Development

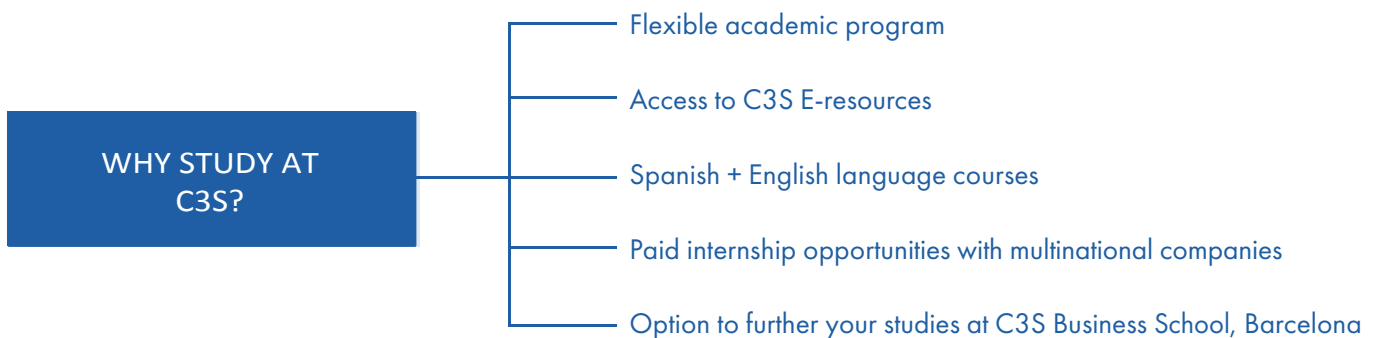

MODULE OVERVIEW: Level 5 (Year 2)

- Network Security and Cryptography
- Information Systems Analysis
- Database Design and Development
- Computing Project
- Professional Issues in IT
- Agile Development
- Analysis, Design and Implementation
- Dynamic Websites

MODULE OVERVIEW: BSC(Hons) (Top-up Online) (Year 3)

- Advanced Database Management Systems
- Corporate Communication Systems Management
- eBusiness
- Managing Information Systems Projects
- Information Systems Project

OPPORTUNITIES:

ADMISSION REQUIREMENTS:

1. Relevant NQF/QCF/RQF Level 3 Award/Diploma or at the level of GCE/GCSE or equivalent qualification
2. Mature learners (over 21) with management experience (learners must check with the delivery centre regarding this experience prior to registering for the programme)
3. Learner must be 18 years or older at the beginning of the course
4. English requirements: If a learner is not from a majority English-speaking country must provide evidence of English language competency. For more information visit English Language Expectations page in this website.
5. For more information get in touch with C3S Business School.
