Key Outcomes

The objective of the OTHM Level 7 Diploma in Health and Social Care Management qualification is to develop learners' understanding of policy, management theory and practice in health and social care. It provides learners with an opportunity to engage with the challenges facing professionals, services users and policy makers in their own country. It will provide knowledge that underpins the ability to work as an effective manager in the hospitals/social care industry.

It combines both theoretical and practical knowledge in the health and social care profession. The qualification will develop and enhance knowledge and skills in the areas of leading change, effective performance, planning and accountability, development and team leadership. Learners will be able to work in a variety of roles within health care administration and/or management.

Successful completion of the Level 7 Diploma in Health and Social Care Management qualification enables learners to progress into or within employment and/or continue their study towards a relevant Master's programme with advanced standing.

Testimonials

Getting admission in C3S is a life changing opportunity which I have never regretted a bit considering it UK education, reasonable price, all learning is in English and it beautiful location (Barcelona, the heart of Spain). Also, this school has one of the best student's team who are always willing and ready to assist you from the beginning of the admission till you are given your acceptance letter. I have met lots and lots of admission team but I must confess, these people are one of a kind especially with their time of encouragement and guidance in submitting all needed documents at the appropriate time. When I saw 24/7 student team availability, I was a bit skeptical untill I was given that time from them. Today, I am so proud of being a part of C3S Business School – Linda Digba Koroma

Hey my name is Omar , i am living in barcelona for studying in c3s business school, am really enjoying my study so much here in the school as am really advantaging alot of experience and knowledge every session , and i prefer not to name it sessions because it is most likely to be a workshop where we are really doing everything by our hands and search alot and read alot so every session we're really gaining much experience and knowledge you were never imagine , otherwise the employees their and lecturers are really supportive and cool you will never face any bad experience with them they are super friendly - **Omar Gamal Ahmed Mohamed Ghanem**

> Hi, my name is Ogunleye Babatunde and I'm a student of business management studying in C3S business school. It's been Awesome since I arrive and they have one of the best lecturers with good study facilities.
