#### Key Outcomes

The objective of the OTHM Level 4 Diploma in Business Management qualification is to provide learners with an excellent foundation for building a career in a range of organisations. It is designed to ensure each learner is 'business ready': a confident, independent thinker with a detailed knowledge of business and management and equipped with the skills to adapt rapidly to change.

The qualification will provide learners with the underpinning knowledge, understanding and skills associated with the business activities, policies, procedures and processes required to work effectively in a business environment. The units combine both theoretical and practical knowledge in the areas of academic and research skills, business and global operations, finance and accounting, business communication, leadership and team working.

Successful completion of this qualification will support learners progressing to university, and provide learners with the requisite skills and knowledge to enter the world of work in their chosen sector.

#### Testimonial

I am pleased with her professionalism, quickness and the attention that she gave me. Thanks to her brilliant and helpful assistance, now I have a chance to study here - **Romella Aghekyan Armenia** 

A good, respected, modern university that takes really good care of its students. The courses have a good connection to current themes plus the school has excellent career services as well. Highly recommended!- **Anas Khouyyar Morocco** 

> The school makes all the headaches of moving to a new country a breeze. The communication is great. They help you with finding an apartment, connecting you with resources around the city, and they even apply for your residence permit once you arrive. The school has also been incredibly flexible and accommodating during the Corona Virus pandemic- **Ashini Illankoon Sri Lanka**
