Key Outcomes

The objective of the OTHM Level 6 Diploma in Business Management qualification is to provide learners with an excellent foundation for a career in a range of organisations. It designed to ensure that each learner is 'business ready': a confident, independent thinker with a detailed knowledge of business and management and equipped with the skills to adapt rapidly to change.

The content of the qualification is focused on leadership and people management, strategic human resource management, operations management, sustainable business practice, financial decision making as well as the business research skills expected of a manager.

The qualification is ideal for those who have started, or are planning to move into, a career in private or public sector business. Successful completion of the Level 6 Diploma in Business Management qualification will provide learners with the opportunity to progress to further study or employment.

Testimonial

With a highly qualified professor and very friendly staff, it was a pleasure to complete my bachelor's degree in this institution. The location is perfect with all the facilities of transportation, shops, and food vendors accessible within minutes of the institution. Highly recommended."

- Ahmed Bousari

This school is a great one. They assist me in all my procedures from Algeria to Spain. I give specials thanks to Anny who was there to answer all my doubts and preoccupation for more than 3 months. The environment to study is very good with all the study materials at the disposal of the students."

- Abdelhak

I have only been at the campus for a couple of weeks, and my first impression is a positive one. Since day one they have made me very welcome. Additionally, the admissions department helped me a lot with my enrollment and the teachers are very professional
