OVERVIEW OBJECTIVES

Our Global MBA prepares professionals for leadership in an international context.

The programme will equip you with knowledge and skills across the full breadth of the management discipline including people management, strategic development and financial decision -making and control. Your skills will be honed through the lens of international business and leading business transformation, to empower you and your organisation to respond strategically to the changing environment. Your development will be highlighted through the capstone module which is a choice of consultancy style project presented by one of our business partners or based on a challenge within your own workplace, or a more theoretical research-based topic.

This Global MBA programme is validated and awarded by the Abertay University UK. The Global MBA Programme has three semesters. The first year is with OTHM which is Level 7 in Strategic Management and Leadership and the 3rd semester is MBA (top-Up) with UK University
